at St Helen's Church, Escrick**

- An evening for shared wisdom, to inspire and cultivate good practice, to offer training and learning
- An opportunity to meet with others from different churches
- There will be four workshops on offer. Choose two as you arrive. No booking and no fee.

#### **What do we mean by mission?**

This is a 'big' word that we use all the time in church life without giving it a lot of thought. What does it mean and what is God calling us to do in mission?

#### **Let's talk about Dementia**

Raising awareness of different types of dementia and their symptoms, we discover how we can offer help & support and become dementia-friendly churches. Participants become 'Dementia Friends'.

#### **Gravetalk Taster**

Why do we find it so hard to talk about death, dying and funerals? Gravetalk is a new resource to help us break through those taboos in conversation with others. Try a taster session – it won't be dull

#### **Praying with your feet!**

In contrast to sitting or kneeling, what about praying while you walk? We explore how this can become a helpful discipline that can help us to pray better for our communities.
