

Calling all artists, young and old...

Could YOU design our 2017 Christmas Card?

Every year the churches distribute a Christmas card to each household in the villages of Dunnington, Stockton, Warthill and Holtby.

This year we would like it to feature a design by a local artist!

Competition Entry

Your design must be:

- on the theme: '**Christmas - our celebration of the birth of Jesus**'
- **A6 portrait** size and shape (10.5cm wide x 14.8cm tall), or equivalent dimension (e.g. A5 or A4 portrait)

Please include these details on the back of your design:

- Your name
- Your age (if 18 or under)
- Your age category (pre-school, Reception-Yr2, Yr3-6, Secondary School, or Adult)
- A contact email address and/or phone number

Deadline for entries: **Wednesday 8th November**

Entries can be handed in to your school office (Dunnington, Stockton and Warthill schools), left in the designated box in the Tower Room at St Nicholas Church or delivered/posted to Victoria Beale, 9 Church Balk, Dunnington, YO19 5PR. Only one entry per person please.

The entries will be judged anonymously. Father Nick Bird will choose the winning design to go on the Christmas card. There will also be winners and runners up in each category, judged by a local artist.

The winners of each category will have their designs featured in The Grapevine and we hope to put all the entries together as a display which will travel round the churches during Advent and Christmas.
