**Thank you for
helping to keep
families safe
from COVID-19**

Dear The Parish Church of St Nicholas

Thank you so much for your kind gift of £3650 to the International Rescue Committee.

When a violent world turns its back on vulnerable families, it takes people of principle to stand up and greet refugees with open arms. Your generosity will support people whose lives have been upended by crisis to survive, recover and begin to rebuild their futures.

As COVID-19 spreads to some of the world's toughest places, IRC health care teams are on the frontline of containing the disease and mitigating its effects. Some 21,000 IRC nurses, doctors, midwives, healthcare assistants and volunteers are hard at work serving those who are likely to be hit hardest by the pandemic: people whose lives have been upended by conflict and disaster.

Thank you so much for investing in a brighter future.

Please do not hesitate to contact me directly with any queries on Lena.Bharania@rescue-uk.org.
