## Children's Newsletter

We had our first week of our Summer Hope Club last week and we have seen pictures of the fabulous crafts that the children have made. This weeks theme is all about 'Peace' and how Jesus's power brought peace to a stormy sea. I wonder how it would have felt to be out in that boat on those rough sea with Jesus. I think I would have been very scared. But we know that when we face difficult times, God is always there and will grant us his peace if we ask. Have a great week. I hope the sun shines for you.

Lisa.

#### Joke Book

Why can't aliens play golf in space?

Because there's too many black holes?

Why did the jelly baby go to school?

Because he really wanted to be a Smartie!

Here I am
In the great big world

And God made me
To live as his child
And love him for evermore

Amen.
