

# 21.9.20 Children's Newsletter

Another week has flown by and we are officially heading into autumn as we notice the changing colours of the leaves on the trees and the mornings getting cooler. The animals and birds will begin preparing for the winter months ahead, some will hibernate whilst others will find somewhere warmer to fly to. I love the autumn and the changes it brings. I wonder what you like about the autumn season? We have all experienced lots of changes this year, some good and some not so good but whatever changes we face we know that God always remains the same. Have a great week at school and at home. Enjoy the sunshine.

God Bless.

Lisa.

## Joke Book

What do you call a cat that lives in an igloo?

**An eskimew!**

What did the beach say when the tide came in?

**Long time, no sea!**

## Question of the week!

How can you make the world more awesome?

## Prayer Corner

We thank you Lord,  
for all the riches of autumn:  
bronze leaves,  
silver spider's webs,  
golden harvest.  
Amen.

## Falling leaves autumnal jar

### You will need:

- Small glass jar and lid
- Brown pipecleaners
- Leaf shaped sequins

1. Take a brown pipe cleaner and fold it in half, then twist the ends together.
2. Trim the pipe cleaner so that it is the same height as the jar, then untwist the ends slightly and fold out to create a base.
3. Wrap another pipe cleaner around this one, and fold the end out at the bottom, then trim it to the same length as the other two ends. This will provide a firmer base.
4. Take another brown pipe cleaner and cut it in half. Wrap it around the tree to create a branch. Repeat this until you have about three branches on your tree.
5. Glue the bottom of the tree to the inside of the jar lid.
6. Fill the jar with water leaving approx. 2cm at the top and add some leaf sequins to the water.
7. Put the lid onto the jar, pushing the tree inside the jar. Then glue the lid in place.
8. Shake the jar and then watch the leaves fall.

## The Fruit of The Spirit

Galatians 5:22-23
