Lest We Forget

I hope you all had a great week back at school after the half-term holiday and what beautiful Autumn weather we had last week. I was thinking about Solomon this week and how he asked God to give him wisdom. We go to school to gain knowledge and learn but wisdom isn't just knowing facts, it's also about making good choices. The wiser we are the more good choices we make. We aren't born with wisdom we learn it like we learn our subjects at school. God wants us to ask for wisdom, so if you have choices to make this week and are not sure whether they are good ones, why not ask him. Have a great week, have fun and enjoy learning.

God bless.
