Children's Newsletter

We are now in the first week of Advent and only two weeks of school left, after this one, before Christmas. I was thinking about angels this week as myself and Mark set up the Nativity Trails and the message of good news that they brought to Mary. So I have a little challenge for you. Can you make an angel (there is a template on the next page if you would like to use it)? You can paint it, colour it or collage it. I used lots of glitter on mine! Then display it in your window and let's see if we can get a whole host of angels for people to see when they go out on a walk. If you'd like to send me a picture of your angel, please do and we'll get it put up on our website. This Sunday (6th December) is our online Christingle Service. Please come and join us, I'm sure you'll enjoy it.

Lisa,

Joke Book

What's white and goes up?

A confused snowflake.

What do you call an old snowman?

Water!

Question of the week!

What helps you keep trying even when you're afraid?

Prayer Corner

The sun may shine

The rain may fall

God will always

Love us all

Amen

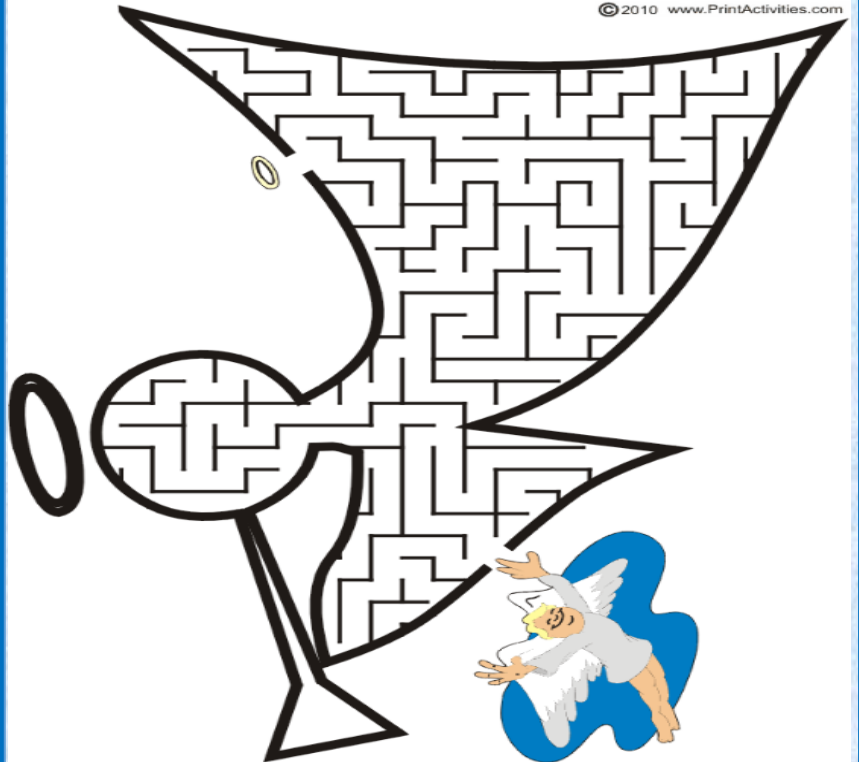

The Nativity Trails have all been set up and the trail maps are on St Nicholas's Church website and on our Facebook Group. I hope you enjoy them. There are still some craft packs available so please message me if you would like one.

Help the angel fly through the angel shaped maze to find his halo.

Paper Angels

You will need

- 2 cupcake liners
- Glue/Tape
- Pipe cleaner
- Scissors
- Paper
- Marker Pens

1. Fold one cupcake liner in half, then half again to make the angel's body
2. Flatten another one and cut two triangles out of it for the wings.
3. Glue the wings onto the back of the folded cupcake liner.
4. Cut a circle out of the paper for the angel's face and add detail using marker pens then glue at the top of the body.
5. Twist the pipe cleaner into a halo shape and attach to the back of the head with tape.
