# Children's Newsletter

It's beginning to look a lot like Christmas. The lights and trees have been put up everywhere and it is looking really festive. I must admit my tree has been up for a week or more. I'm sure you're all really excited about Christmas already and only another week of school to go before the holidays. I hope you get chance to do one of our Nativity Trails, which tells the story of the First Christmas and the birth of Jesus. Remember to look for the hidden word/s on each poster and work out the verse and book of the Bible, it is from. A small prize for the first 10 people who message me. Enjoy the rest of your week, have fun in school and God Bless.
