

Children's Newsletter

25.1.2021

Lisa Horton Children & Family Worker-contact at horton2517@sky.com

We are now over half way through the first half-term and teachers have been very busy doing lessons at school and on-line and you have all been working very hard on your learning. I learnt something new this week, on Friday 29th it is National Puzzle Day and on Saturday 30th January it is National Draw a Dinosaur Day. How amazing is that! Not only do I enjoy doing puzzles, especially word ones and jigsaws but I also love dinosaurs. So if you would like to draw or paint me a dinosaur, please email me a picture (email address above) and I would love to see them and I'll post them onto our Facebook group. Wherever you are learning, whether at home or at school, just know that God is with you, encouraging you every step of the way. Have a great week.

God Bless.

Lisa

Joke Book

What goes 'tick tock, bow wow, tick tock, bow wow'?

A watch dog!

What is black & white, black & white, black & white?

Question of the week!

Would you rather explore outer space or the deep sea? Why?

Prayer Corner

Dear God

Thank you for our families,
Thank you that in our families
we have people who love us,
Be with our family, from the
youngest to the oldest,
Helping us to care for one
another.

Amen

Joseph and His Family Word Line Up

Unscramble each of the clue words. Take the letters that appear in the circled spaces and use them for the final question.

On February 7th at 4pm, we will be having a Family Service live on Zoom. It would be lovely to see you there. After the service we hope that you will join us for a cuppa and a chat. Please email myself, Mark Poole (revmarkpoole20@gmail.com) or Judith Hewitt (judithmhewitt@btinternet.com), for the Zoom link. Thank you.

Our Family apple tree

You will need

- Card
- Green paper
- Red paint
- Glue
- Piece of bark

1. Draw round each member of the family's hand on the green paper and cut out.
2. Glue the handprints onto the card to form the top of the tree.
3. Write on the names of each member of the family on their hand print.
4. Make apples on the tree using your finger and red paint.
5. Glue on the piece of bark.

Help the dinosaur through the dinosaur maze to find more trees to eat.
