# Children's Newsletter

I hope you all had a fantastic Bank Holiday weekend (despite the rain) and that you managed to enjoy the Scarecrow Festival in Dunnington. It was lovely to see so many people out and about, enjoying the scarecrows. Yesterday would have been the birthday of Florence Nightingale and National Nurses Day is this Thursday 6th May but it then lasts a whole week through to 12th May. That makes me think about how hard both nurses (and doctors) and all hospital staff have been working for the last year caring and looking after patients. You might have stood on your doorstep clapping on a Thursday night to say a huge thank you. There are lots of other ways that we can show we care too. I wonder what you can think of? Maybe you could try out one of your ideas.

God Bless.  
Lisa

## Question of the week!

100 years from now, what do you hope has been invented?

## Prayer Corner

Dear God

Please show me how to spend this day,  
Sharing your love in every way,  
Help me to be kind to everyone,  
To play and laugh and have lots of  
fun,  
Shining your light and giving your  
grace,  
Sharing your joy with a smile on my  
face.  
Amen

## Heart paper chains

You will need:

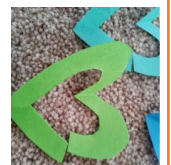

Coloured paper

Scissors

Glue

1. Cut out several hearts the same size from the coloured paper.
2. Fold the hearts in half and cut out the middle sections.
3. Open out the hearts and make a cut at the side of each heart.
4. Link the hearts together by overlapping the cut edges and gluing them.
5. Children could write names of people on the hearts who they would like to know God's love.

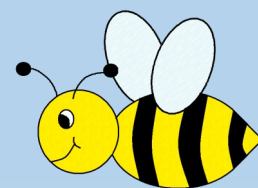

How many bees can you find?

Look carefully.
