Children's Newsletter

I hope that you all had a great week last week. This week is the start of Christian Aid week (10th– 16th May) where people give money to help those living in poverty and hopefully help to change their lives in some small way. I was reminded about this because a friend of mine is walking 300,000 steps in May to raise money for this cause. I was thinking about how long that would take me to walk that far or where I would end up. Now I'm quite a quick walker so I would end up walking for 45 hours, if I didn't have any rest or stops. I could travel as far as Edinburgh in Scotland, parts of South Wales or nearly as far as London. Imagine the wonders of God's world I would see as I walked all that way. Wherever I went I know that he would always be right there with me though. Have a great week.

God Bless.
Lisa

Joke Book

What side of a turkey has the most feathers?

The outside!

What did the frog order for lunch?

A sandwich and a diet croak?

Question of the week!

What would the world be like if everything was black & white?

Prayer Corner

Dear God,
be with all the people we pray for today,
with anyone who is lonely or hurting or sad.
Be with us as we live and play together.
We pray because we know you love us.
Amen.

My place in the World craft

You will need:

- Coloured papers
- Felt tips or crayons
- Scissors
- Glue

1. Cut out different sized circles from the coloured papers.
2. Label the circles with the following: My house, My town, my county, my country, my continent, my planet (starting with the smallest circle)
3. Decorate each circle with an image for what it represents. E.g you might want to draw the world for my planet or a house for the first circle.
4. Punch a hole in the top of all the circles and attach together using a treasury tag or string.

Don't get lost!
