Children's Newsletter

We're in the final week of half-term, nearly at the holiday. On Monday it was Valentine's Day and on Thursday 17th February it is Random Acts of Kindness Day and I think that 'Love' and 'Kindness' go together hand in hand. Acts of kindness can just be small things that you do to make someone else feel happy, loved or appreciated. It often happens unexpectedly, so I wonder who you could surprise this week with a small Act of Kindness. It could be something as simple as a 'smile' or a helping hand. There is no limit to the amount of kindness we can put into our world. I hope you all have a fabulous half-term holiday. Have fun.

God Bless.

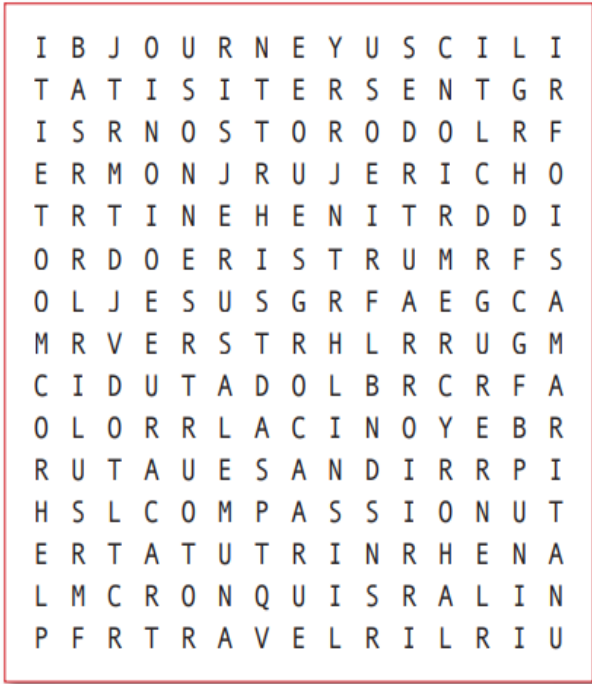

Lisa

Joke Book

Why do bears have fur coats?
 Because they would look silly in plastic macs!
 Why do bees hum?
 Because they don't know the words!

Good Samaritan Word Search

Find the words on the list that are hidden in the puzzle. The words can be right to left, up and down or diagonally.

Question of the week!

What's the greatest thing about being you?

Prayer Corner

Dear God

As I go through every day
 Help me to treat others with
 kindness
 in everything I do and everything I
 say.

Amen

Kindness rocks

Why not create a kindness rock for your friend. All you'll need is a pebble or stone from your garden. Paint it with whatever colours you like and paint or draw (using marker pens) a special message for your friend. If you want the paint to last longer you can always give the stone a coat of clear nail varnish when you've finished painting it.

Can you find the bee hidden in this picture?

Upcoming events!
