Children's Newsletter

There are lots of exciting things happening this week. On Saturday 20th March it is International Day of Happiness and officially the first day of Spring. Why not have a go at spotting some spring flowers using the sheet on the second page of our newsletter. I know that when I see the first signs of Spring it always makes me feel happier after the many dark evenings of Winter we have had. The sun always seems to shine a little bit brighter in Spring. Then on Friday it is also Red Nose Day, when I'm sure some of us will be doing lots of fun activities to raise money for those who are a lot less fortunate than ourselves. Lets try and spread a bit of happiness to those around us this week, all it takes is a smile. Have a great week.

God Bless.

When do ducks usually wake up?
At the quack of dawn!
 What goes dot, dot, dash, squeak?
Mouse code!

Question of the week!

If you could give a gift to every child in the world, what gift would you give and why?
