Children's Newsletter

It's the first day of the Easter holidays and the sun is shining, which is great. I thought I'd send a newsletter this week as it is a very special week in the church's calendar-Holy week. I wonder what it would have felt like to be there that week, following Jesus. Yesterday was Palm Sunday and next Sunday is Easter Sunday, when I'm sure you will all be enjoying your chocolate Easter eggs-I know I will. On the second page of the newsletter this week is a template of an Easter egg, for you to create your own design. Why not email me a picture of your finished design and I'll enter you into our competition. There will be prizes for the winner in each of the age groups: Under 6's, 7-11, 11+

God Bless.
