Children's Newsletter

Welcome back everyone, I hope you all had a fabulous half-term break and managed to enjoy some of the lovely weather. Did you know that tomorrow (8th June) is National Best Friends Day? It's recognized every year and is a good time to celebrate all those friendships that are so important to us. True friends are always there for us and can make our lives better in so many ways. So why not let your friends know how important they are to you. This week is also the 'Churches Count on Nature' week where we are looking at all the different wildlife that can be found in our churchyards. Why not come and join us at our events on Saturday, at Holy Trinity Church, Stockton on the Forest and St Nicholas's Church, Dunnington and have a go at being a nature detective, (magnifying glasses provided).

God Bless.
