Children's Newsletter

Hello everyone. I hope you have had a great couple of weeks back at school and are enjoying the sunshine that seems to be appearing, I know I am. Did you know that on Friday 20th May it is 'World Bee Day', which was started in the country of Slovenia over 5 years ago. Who would have thought they had their own special day! Bees are amazing insects as together with other pollinators they pollinate nearly three quarters of the plants that produce 90% of the world's food. They also produce honey which we can eat and use in other products. Unfortunately bees are now becoming endangered so we have to look after them. Maybe you could plant some bee friendly plants in your garden to attract them. We planted some seeds at Little People Play & Praise last week to sell at our Crafts & Plant sale at Dunnington on 9th July, so why not join us then.

Have a great week.
God Bless.
Lisa

Joke Book

How can you tell which end of the worm is his head?

Tickle his middle and see which end smiles!

What's yellow on the outside and green on the inside?

A banana disguised as a cucumber!

Question of the Week!

Who in the Bible would be the most fun to hang out with and why?

Prayer Corner

Dear God,

*For sun and for showers,
For seeds and for flowers,
For animals and birds,
We give you thanks,
O God.*

Amen.

Peter Goes Fishing Word Scramble

The letters of the words below are mixed up. Unscramble them to make words from the story "Peter Recognized Jesus."

Buzzy Bees

You will need:

- Clothes peg
- Pipe cleaners
- White card or craft foam
- Googly eyes

1. Start by cutting a pair of wings (joined together in the middle) out of the card or craft foam and insert into the peg slot.
2. Wind the pipe cleaners onto the peg above and below the wings to keep them in position.
3. Add googly eyes if you have them or use a black felt tip to mark on the eyes.
4. Wind another pipe cleaner around the neck of the peg and up the back to form the antennae.
5. Try using different coloured pipe cleaners to create individual bees.

Can you count all the bees?

★ Upcoming events! ★

Coffee Morning — Holy Trinity, Stockton on the Forest
14.5.22 @ 10am

Messy Church (Goes Sporty) — Stockton on the Forest Village Hall,
21.5.22 @ 10:30am
