St Nicholas Church Tower Room Re-roofing Faculty Application

We must get Diocese approval (a faculty) for our plans to re-roof the Tower Room. The Diocesan Advisory Committee have given their approval. There is now a period of public consultation with the required notices on display. There is a folder of information on the Tower Room display table. Any objections to the Diocesan Registrar must be received in writing by the 11th September. Subject to approval and securing the necessary additional finance, it is hoped we can undertake the work in early 2023. Thank you for all the donations and help with fund raising. Any additional donations will be very much welcomed to help us take this vital project forward .
